I would like to become a member of G It's Fresh Community Supported Agriculture program. I agree to cooperate with the other members in my CSA community to make this an enjoyable experience for all. I am committed to my farm for the season and agree to share in the bounty and risks of the growing season with my farmers and my fellow CSA members. I understand that it is my responsibility to know when and where to pick up my shares, and I agree to pick up my shares on time on delivery day.
